■ Great teacher. Knows his stuff very well. Always responds to questions quickly.

4. Overall

4.2) Additional comments concerning this course.

■ Akram is very organized. I loved that he has all the lessons already uploaded to Angel and all dates set. He really treats you as adults in the class and not like your in high school...other than being graded on attendance, which is sort of high school. Some people work for a living an generally can't make every calss and should not be penalized. He did said he had to do the attendance deal.
