Akram Al-Rawi

Survey Evaluation Results

Akram Al-Rawi,

In the attachment you will find the evaluation results of the survey Networking Fundamentals.

Questionnaire CourseEval:

The overall indicator is listed first. It consists of the following scales:

- **Section I**
- Section II
- Section III
- Overall

The overall indicator is followed by the individual average values of the scales mentioned above. In the second part of the analysis the average values of all individual questions are listed.

If you have any further questions do not hesitate to contact the evaluation department.

Comments Report

4. Overall

^{4.2)} Additional comments concerning this course.

- I think the instructor was no less than excellent. Also feel as though he really cared about his students.
- The material is old and outdated. I can tell Mr. Al-Rawi is a competent human being, and knows what he is doing, but I feel he does not translate it well into class.
