Comments Report

1. Course Structure

^{1.5)} Additional comments for items 1.1 - 1.4

- While Akram is a great teacher and obviously knowledgeable in the subject, unfortunately his accent was difficult to understand at the beginning. Now that i have a solid understanding of most of the material, it isn't as bad.

5. Overall

^{5.2)} Additional comments concerning this course.

- Akram is incredibly helpful especially for lab work, always just an email away and very responsive.
- This is my second attempt of this course and have to say that I have learned 100 times more than my first attempt. Although Akram has a strong accent he communicates very well and is easy to understand.
