- Great course, it is obvious the instructor really cares that his students perform well
- Great online class for my busy schedule.
- No matter how confident I am that I've done my assignments, I always feel like there is something I'm missing. This might be the nature of online classes, or the delivery of assignments.
- Professor Al-Rawi did a great job. I would have liked to have seen this course offered with an on-campus option, instead of online only.

- The best professor
