- Mr Al-Rawi has been an amazing professor to work with this semester, and continues to provide excellent instruction and assistance during the course of this class. He has made learning the subject matter easy, and treats his students fairly and with respect. He is one of the best teachers/professors I have ever had while attending any sort of school. I would recommend him to anyone pursuing any career in IT
- The skill assessments were tricky and confusing. But the class overall was enjoyable.
