4. Effectiveness

4.3) Additional comments for items 4.1 - 4.2.

No data available.

5. Overall

5.2) Additional comments concerning this course.

- The course quality was likely degraded due to the unusual and forced medium of teaching. I am fairly sure that in a correct classroom environment, the instructor could teach more actively and effectively.
- The instructor is very active and focused on helping us learn the material in this class. I think he does a great job of explaining material and keeping the whole class engaged during the Zoom class sessions.
