4.3) Additional comments for items 4.1 - 4.2.

■ i think it would have been more useful to focus on lectures rather than working on the homework.

5. Overall

5.2) Additional comments concerning this course.

■ I wish that lectures were used to teach more of the exam material instead of just walking us through the labs.

■ The course covers a wide range of topics and can sometimes get a little convoluted. It works ok but the content felt hard to keep track of at times because of its scope.
