2. Class Environment

[2.4)] Additional comments for items 2.1 - 2.3.

- Class environment was always open for questions and going through the work together in class was useful. Often we go over common errors during class time so it is familiar if those errors happen when i am working on my own.
- Even though this is an online class, the teacher always asks if anyone needs helps or has questions during the zoom sessions.
- no comment

3. Instructor Responsiveness

[3.4)] Additional comments for items 3.1 - 3.3.

- The instructor replies almost immediately to emails and always tells you what you did wrong on an assignment.
- no comment

4. Effectiveness

[5.2)] Additional comments concerning this course.

- By far my favorite teacher. His teaching and explanations make it very easy to understand the work. I was nervous taking the class without knowing anything but with him talking you through every step, it really helped.
- Enjoyed it. Looking forward to the next class this Fall. Thank you!
