- Akram is a fantastic professor that truly knows the material he is teaching. He keeps the environment in the class room conductive to learning and truly respects his students time (never once went off topic and blabbed about something no one cares about), which is rare from my experience with other professors. At the same time you can till Akram is very charismatic about helping his students learn, leaving helpful corrections and comments on the assignments he grades lightning fast. I would chose Akram as a professor over any other teacher I have ever had.
- I enjoyed being taught by Professor Al-Rawi. He's an excellent teacher. Thank you!
