

Writer's Notebook #10:

Take time to reflect on our class theme of education and its role in our society, considering class discussions, In Defense of a Liberal Education, our guest speaker, articles, "Two American Families", and Writer's Notebook responses. Next, revisit your first journal entry - "How does education make you a better human being?" - and evaluate your answer. In a final journal entry, explain if your initial response has changed, stayed the same, or could now be expanded. Use specific examples from class materials and fully explain all claims.
