XLY 1304 – Adventures in Ancient Egypt – Gr. 6-7

This course is inspired by Rick Riordan's Kane Chronicles trilogy which updates Egyptian mythology for modern audiences. Expand on the people, places, history, culture, and religion that the author highlights in his books through the use of slideshows and supplementary materials. Hands-on crafts will echo the adventure of Carter and Sadie as they battle the forces of Seth. Students are encouraged to read The Kane Chronicles Trilogy by Rick Riordan.

XLY 1302 – Deciphering Egyptian Hieroglyphs – Gr. 6-9

The instructor, a professional Egyptologist, incorporates interactive and innovative approaches to learning this ancient language. Along with language instruction, supplemental topics in history, culture, art, and religion will be incorporated into this course. By the end, students will be able to read simple words and phrases, understand the imagery on Egyptian art and artifacts, and gain experience studying a non-Western foreign language. This is truly a unique opportunity as Professor Davidson is the only Egyptian Hieroglyphs instructor in the Kansas City Metro Area.
