

# Application for the International Education Award

The International Education Award recognizes a project or activity that makes a significant contribution to the internationalization of the curriculum, the campus, and/or the community. "Internationalization" is defined as bringing knowledge, understanding and appreciation of other countries or cultures to JCCC. The project or activity may be nominated by those involved in it, or by others. Please submit the application to the International Education Office, COM 220, by April 12.

Date of Application: \_\_\_\_\_

Name of the Project or Activity: \_\_\_\_\_

Contact Person for the Project/ Activity:

Name: \_\_\_\_\_
