

Dear Professor,

Another exciting academic year is starting and I want to thank for the essential role you play in making JCCC one of the best community colleges in the country.

I am inviting you to the Fall 2018:

**Adjunct Faculty Professional Development Day**

Saturday, August 18, 8:30 a.m.-noon

Regnier Center (RC) 101

Top college leadership is excited to welcome you and thank you for being a part of JCCC excellence. You'll meet:

- Dr. Joe Sopcich, JCCC President
- Dr. Mickey McCloud, Vice President of Instruction/Chief Academic Officer
- Representatives from the JCCC Board of trustees.

You'll also get a chance to hear from representatives from a variety of departments who will share information about the many services available to faculty and students. (See the list of topics and activities below.)

This event is a valuable time for you to network with each other. Adjunct faculty devote much time and energy to excellence in their classrooms with their students, but often have limited opportunities to interact and collaborate with their peers. It's a great chance to get to know your co-workers!
