

NISOD EXCELLENCE AWARD

National Institute for Staff and Organizational Development

This award was established to recognize faculty members, administrators, and administrative staff who epitomize “the importance of excellence in teaching and leadership in open-door settings” by keeping their focus on helping students succeed. These are the individuals who do GREAT things in the classroom, or go out of their way to ensure student learning, success and leadership, and are innovative within the roles they serve on campus. Since its inception in 1978, the National Institute for Staff and Organizational Development (NISOD) has emphasized the importance of teaching and leadership excellence in institutions of higher education.

The JCCC Staff and Organizational Development Department will provide full travel support for three selected individuals to attend the NISOD Conference, scheduled for May 29-June 1st, 2021, in Austin, Texas. The conference focuses on celebrating teaching and leadership excellence with outstanding individuals sharing their best practices. All award recipients will be recognized during the Excellence Awards Dinner and Celebration.

Prior to attending, our award recipients will be asked to provide a 50-word statement of philosophy and a photo for inclusion in the Awards Booklet.
