Instructions

1. Attach a one-page description of the innovative project or activity
2. Attach any supporting materials relevant to the project for documentation purposes
3. The following criteria will be used to evaluate the project. Please note that one or more of the criteria should be met, but it is not necessary that any nominee should meet all these criteria. Please respond to the criteria elements that best correspond to the innovation.

QUALITY - The innovation increases "quality" in the course program, office or institution.

EFFICIENCY - The innovation contributes to a more efficient way of doing things.

Please submit this nomination and all required attachments to Faculty Development, LIB 375C, Box 75 or esinn@jccc.edu by March 1

Only complete nominations, including all required documentation, will be accepted.

Date nomination received in Faculty Development Office _____

COST EFFECTIVENESS - The innovation adds value to the institution while at the same time containing or reducing costs

REPLICATION - The innovation can be replicated in other institutions with a minimum of difficulty.

CREATIVITY - The innovation should be as original as possible, or the adaptation should be creative.

TIMELINESS - The innovation should not be more than five years old in the institution but it should have been tested and found to be effective. In other words, it "works!"
