

# How to Link a Microsoft OneDrive File inside Canvas

1

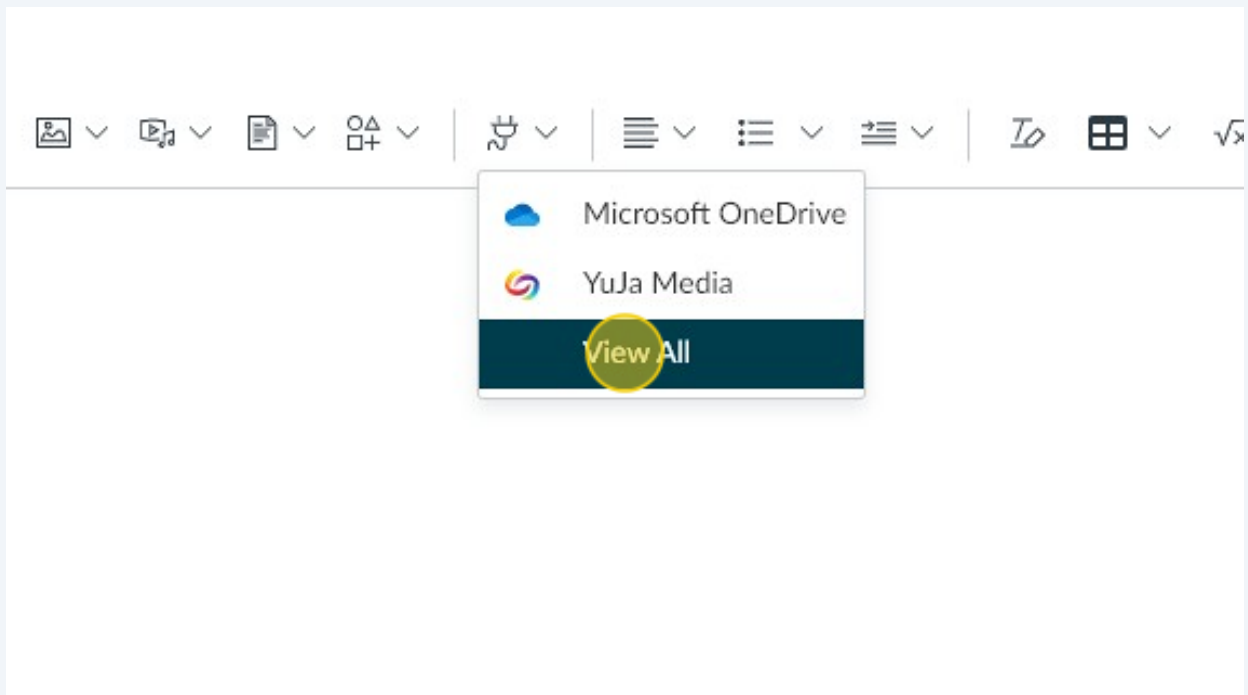

Go to your Canvas course where you want to place the link or embed your OneDrive document:

2

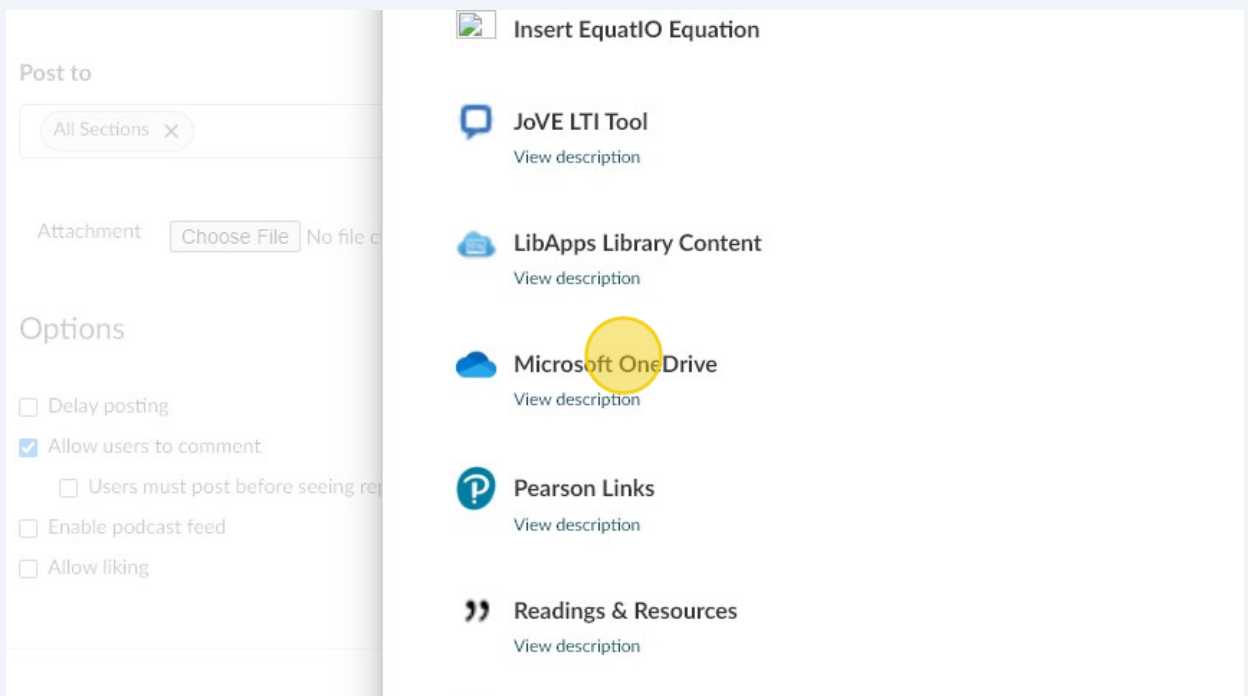

In the Rich Text Editor click here:

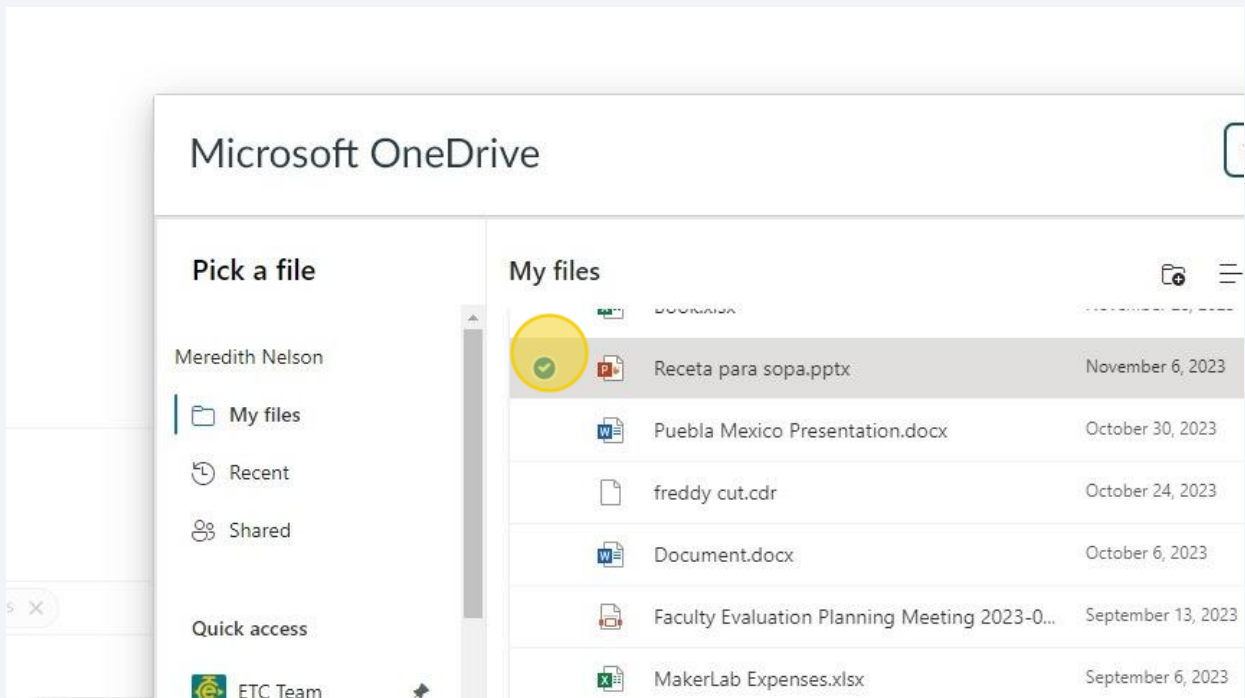

3 Click Microsoft OneDrive (if it doesn't appear in the dropdown click "View All"):

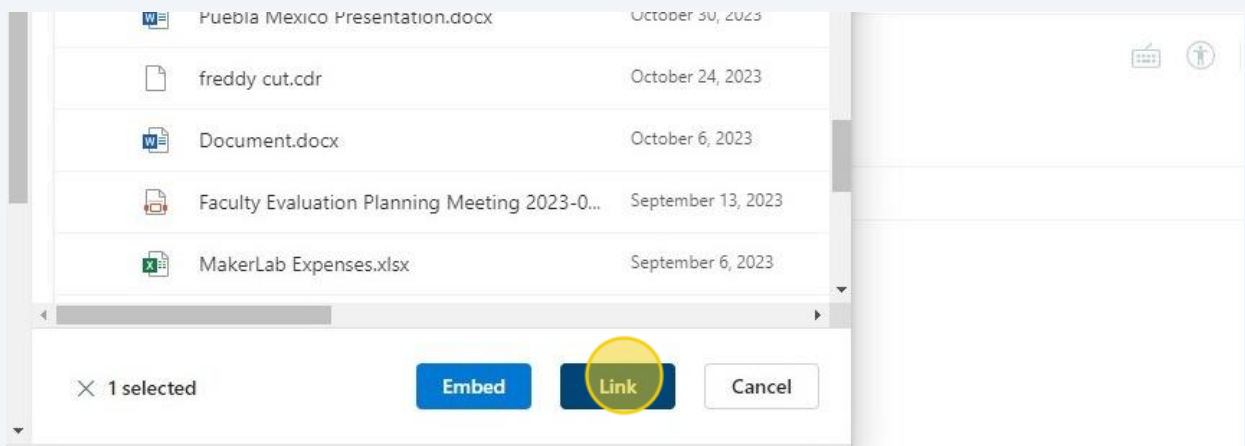

4 Click "Microsoft OneDrive"

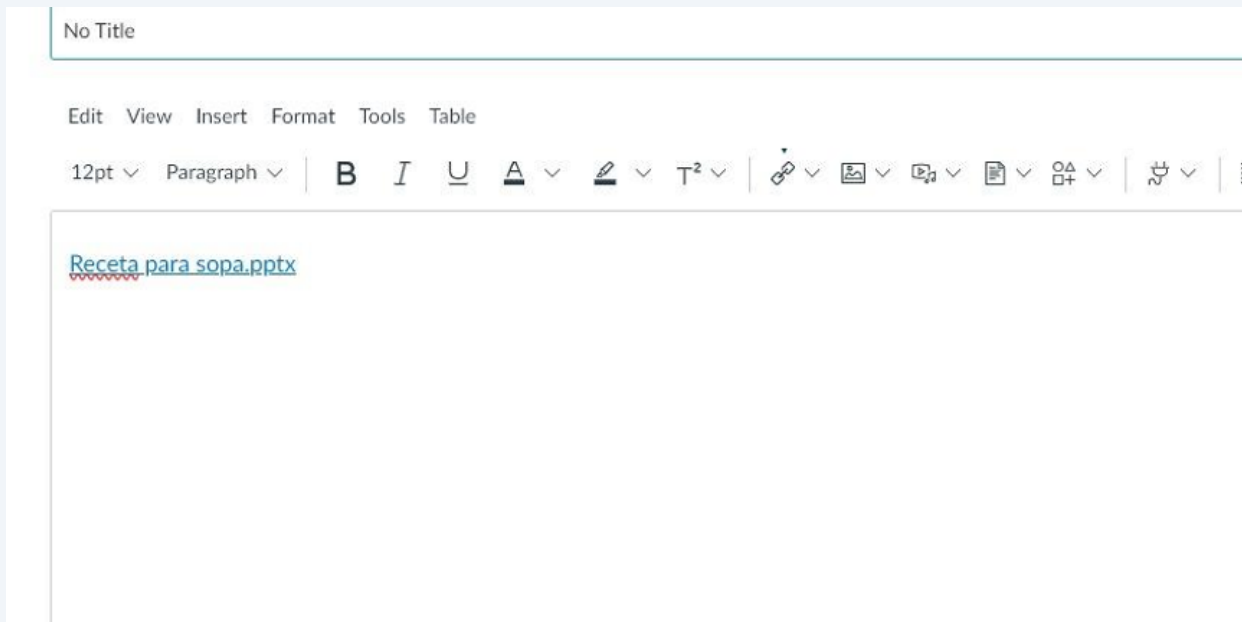

5 Navigate to your file:

6 Click "Embed" or "Link"

7 Link result:

8 Embed result (only you will see the Edit Document button - students will NOT):
