

VitalSource Bookshelf for Canvas

Steps for adding the link to the side menu:

1. Sign into your course and click on **Settings**
2. Click on the **Navigation** tab
3. Find **VitalSource Bookshelf** in the list of hidden items. Click and drag it to the location you want the button to live.
4. Scroll to the bottom of the page and click **Save**

5. Click on the **VitalSource Bookshelf** link that you just added

6. Click on the **Read Now** or the **Launch Courseware** button to gain access to your content.
